2022-23

“CK Celebrities” is a beginner level competition group within DancElite for dancers who want a chance to compete and take their dancing to the next level.

Requirements:

Students are required to have one previous year of dance and be enrolled in a minimum of one other weekly class. One of CK’s jazz, ballet, technique, combo, or Reach Out class fulfills this requirement. Acro or hip hop classes do not qualify as the one minimum.

Students must enroll and attend their age appropriate “CK Celebrities” weekly class. Attendance is important in all classes! During the “CK Celebrities” class, dancers will work on jazz technique and learn ONE competition routine to compete at TWO dance competitions in the season. They will also showcase their routine in CK’s year-end Recitals/Showcases. Competition dates will be announced by late summer and typically held in Feb to early-May.
